

Monroe County ARES SET Script 2024

This is an exercise, this is an exercise, this is an exercise

This is **KW4EOC**. My name is **Steve**. I'm at the Monroe County EOC Radio Room.

This station will be acting as the net control for the Simulated Emergency Test conducted on the **County Linked Repeater System** (insert specific network name).

We will take reports from any area within Monroe County. SET activity is occurring on the County Ham FM Repeater Network, GMRS Repeater Network, HF on 7.188 LSB, 146.52 FM Simplex and 462.55 GMRS Simplex.

This is a directed Net. All communications must be coordinated by Net Control.

At this time is there any emergency or priority traffic?

(If nothing heard) Proceed to below:

If you have a real emergency please use BRAKE - BRAKE - BRAKE

Stations wishing to participate please listen carefully to the following instructions.

To simulate the process of what would occur had this been a real emergency, please provide to net control your call sign, name and location.

Net control will then ask for the following information:

1. Is your property secure & safe?
2. Any life safety issues?
3. Are public supplied utilities intact and functioning?
4. Is the weather clear, any flooding?
5. Do you have any vehicular traffic issues?
6. Do you have any relays?

(Assist the station checking-in the above in if they fail to report the recommended list)

Received OK. Station **W1XYZ** you may secure.
